Architectural Design and Construction of a Public Safety Building RFP
CANCELLATION

Due to a significant change in the scope of work, the City of Johnstown is cancelling our previously released RFP for Architectural Design and Construction of a Public Safety Building, effective September 14, 2023. We apologize for any inconvenience this causes but the City of Johnstown will be re-releasing an RFP over the next few weeks. The updated RFP will be placed onto the City's website when available.
